

PROVINCIAL GOVERNMENT OF CAGAYAN

CITIZEN'S CHARTER 2024, 2nd Edition

I. MANDATE

The Provincial Government of Cagayan (PGC) is committed to provide quality and accessible basic services to its constituents such as education, healthcare, infrastructure and other social services and programs which will continuously improve and enrich the quality of their lives and be effective partners in the attainment of the goals of the Province as well as the goals of the National Agencies.

Under Section 16 of the Local Government Code (General Welfare Clause), every local government unit shall exercise the powers expressly granted, those necessarily implied therefrom, as well as powers necessary, appropriate, or incidental for its efficient and effective governance, and those which are essential to the promotion of the general welfare. Within their respective territorial jurisdictions, local government units shall ensure and support, among other things, the preservation and enrichment of culture, promote healthy and safety, enhance the right of the people to a balanced ecology, encourage and support the development of appropriate and self-reliant scientific and technological capabilities, improve public morals, enhance economic prosperity and social justice, promote full employment among their residents, maintain peace and order, and preserve the comfort and convenience of their inhabitants.

Also, under Section 17 of the Local Government Code (Basic Services and Facilities Clause), local government units shall endeavor to be self-reliant and shall continue exercising the powers and discharging the duties and functions currently vested upon them. They shall also discharge the functions and responsibilities of national agencies and offices devolved to them pursuant to this Code. Local government units shall likewise exercise such other powers and discharge such other functions and responsibilities as are necessary, appropriate, or incidental to efficient and effective provision of the basic services and facilities enumerated herein.

For the Province, basic services and facilities include, but not limited to, the following:

1. Agricultural extension and on-site research services and facilities which include the prevention and control of plant and animal pests and diseases; dairy farms, livestock markets, animal breeding stations, and artificial insemination centers; and assistance in the organization of farmers' and fishermen's cooperatives and other collective organizations, as well as the transfer of appropriate technology;
2. Industrial research and development services, as well as the transfer of appropriate technology;
3. Pursuant to national policies and subject to supervision, control and review of the DENR, enforcement of forestry laws limited to community-based forestry projects, population control law, small-scale mining law, and other laws on the protection of the environment and mini-hydroelectric projects for local purposes;
4. Subject to the provisions of Title Five, Book I of this Code, health services which include hospitals and other tertiary health services;
5. Social welfare services which include programs and projects on rebel returnees and evacuees; relief operations; and population development services;

6. Provincial buildings, provincial jails, freedom parks and other public assembly areas, and other similar facilities;
7. Infrastructure facilities intended to service the needs of the residents of the province and which are funded out of provincial funds including, but not limited to, provincial roads and bridges; inter-municipal waterworks, drainage and sewerage, flood control, and irrigation systems; reclamation projects; and similar facilities;
8. Programs and projects for low-cost housing and other mass dwellings, except those funded by the Social Security System (SSS), Government Service Insurance System (GSIS), and the Home Development Mutual Fund (HDMF): Provided, that national funds for these programs and projects shall be equitably allocated among the regions in proportion to the ratio of the homeless to the population;
9. Investment support services, including access to credit financing;
10. Upgrading and modernization of tax information and collection services through the use of computer hardware and software and other means;
11. Inter-municipal telecommunications services, subject to national policy guidelines; and
12. Tourism development and promotion programs.

II. VISION

CAGAYAN is a progressive and peaceful community of empowered Cagayanos that hosts a sustainable and globally competitive economic hub.

III. MISSION

The **PROVINCIAL GOVERNMENT OF CAGAYAN** drives progress through dynamic, people-oriented, visionary leadership committed to the highest standards of service and governance.

IV. CORE VALUES

As PGC Public Servants, we uphold:

- Integrity
- Commitment
- Leadership by Example
- People-Entered
- Excellence
- Innovation
- Loyalty to Cagayan

V. PLEDGE OF COMMITMENT

We, the PGC officials and employees,

- Pledge to provide the highest standard of competence and ethical behaviour in public service;
- Pledge to render new, responsive, and creative services geared towards continuously improving office systems and procedures;
- Pledge to toe the line in providing an investor – friendly Cagayan for its economic growth and development;
- Pledge selfless service through the PGC's 24/7 accessibility;
- Will empower Cagayanos through community-based organizing that provide opportunities for participative decision-making, fiscal management, and self- reliant endeavors;
- Are stewards of Cagayan's resources, and we will protect it and strive for its sustainable development; and
- Are loyal to Cagayan, its heritage and vision, and will strive to work to achieve the aspirations of its people.

INTERNAL AUDIT UNIT (IAU)

INTERNAL SERVICES

1. Request for Management, Operations, and Compliance Audit

Management audit is a separate evaluation of the effectiveness of internal controls adapted in the operating and support services units/systems to determine whether they achieve the control objectives over a period of time or as of a specific date. This includes the determination of the degree of compliance with laws, regulations, managerial policies, accountability measures, ethical standards, and contractual obligations covering specific timeframes. It is a review and appraisal of the systems and processes, organizational and staffing structures, operations and management practices, records, reports, and performance standards of the agencies/units covered [1.9.2 Management Audit, DBM Internal Audit Manual for LGUs (2016), p. 10].

Operations audit is a separate evaluation of the outcome, output, process, and input to determine whether government operations, programs, and projects are effective, efficient, ethical and economical, including compliance with laws, regulations, managerial policies, accountability measures, and contractual obligations. Operations audit of organizations, programs, and projects involves an evaluation of whether or not performance targets and expected results were achieved [1.9.3 Operations Audit, DBM Internal Audit Manual for LGUs (2016), p. 10].

Compliance audit is the evaluation of the degree of compliance with laws, regulations, managerial policies, and operating procedures in the LGU, including compliance with accountability measures, ethical standards, and contractual obligations [1.9.1 Compliance Audit, Department of Budget and Management (DBM) Internal Audit Manual for Local Government Units (LGUs) (2016), p. 10].
